

Give Kids The World is a 70-acre, nonprofit “storybook” resort located near Central Florida’s most beloved attractions. The Village offers a fanciful, carefree retreat for children with life-threatening illnesses and their deserving families. Here, children and their families are treated to weeklong cost-free fantasy vacations, complete with accommodations in whimsical villas, transportation, donated attractions tickets, meals and much more. The extraordinary, life-changing experience that Give Kids The World offers is a gift made possible only through the generosity of countless individuals and corporations, just like you.

As you can imagine the Village needs to be maintained so that it can continue to fulfill the wishes and dreams of these special children and their families for years to come.

Help keep the magic alive at the Village by becoming a part of the Give Kids The World Adopt-A-Villa program.

The Adopt-A-Villa program is a unique group volunteer opportunity that helps the Village continue to be the place where “Happiness inspires Hope”. By spending three afternoons a year, working side by side with your friends and family, you help us to spruce up, clean up and maintain one of the truly unique buildings that our special families call home while they enjoy their time with us.

By sharing your time and talents, you and your group will be treated to an afternoon of team building and fun like no other and after you are done, you will leave satisfied knowing that you have truly made a difference in the life of a special child. This difference will affect not just one family but to all the families that will call your villa home, over 50 families a year per each Villa.
